All students completing a Bachelor of Arts degree in Political Science must meet the following conditions:

- At least 24 hours of political science coursework (including 490 or 492WI) must be at the 300- to 400- level, and at least 12 hours must be earned at UMKC. Students transferring from other institutions should check as soon as possible to determine which of their credits will transfer as 300- to 400-level political science courses.
- A political science degree will be granted only to those who have achieved at least a 2.0 GPA in their approved departmental program.
- The major in political science serves both to foster a liberal arts education and to meet a range of pre-professional educational objectives. Courses 210 and 220 should be taken as early in the student's program as possible. Because there are optional ways for students to meet the remainder of the requirements for the major, students should, through consultation with a department faculty adviser, develop an approved program of study that best suits their educational goals.
- Political science majors are also required to take at least one 300-400 level course in at least four of the following eight subfields. For details of the courses fulfilling the subfields, see: <http://www.umkc.edu/catalog/2008-09/undergraduate/pg1133.html>
- Pol Sci 497 and 498 will only satisfy a subfield requirement if specifically approved by the undergraduate adviser.
