The following is a sample course of study. It is the Student’s responsibility to ensure that all program requirements are met. This guide is not a substitute for academic advisement. Please note that these degree requirements may change and are in the review process. Please check with your advisor for more information.

Your path to graduation may vary slightly based on factors such as college credit you earned while in high school, transfer work from other institutions of higher learning and placement in Mathematics. You are responsible for checking prerequisites to any courses.

1. Requirement may be waived if students have an ACT English score of 30; or SAT verbal score of 630; or AP English Lang/Com score of 4.2

2. Constitution requirement may be satisfied by taking either HIST 101 or 102 or 306 or POLSC 210

3. Students must take one Life Science course selected from: Biology 108& 108L, Biology 109 & 109L, Chemistry 211 & 211L, Chemistry 212 & 212L or Anatomy, Biochemistry, Cell Biology, Microbiology, Molecular Biology, Biochemistry, or Physiology

4. WEPT or Written English Proficiency Test must be taken before enrolling in CS 304W

5. Social and Behavioral Science electives can be selected from: Criminal Justice, Geography, Economics, History, Political Science, Psychology, or Sociology

6. One Humanities and Fine Arts (HFA) elective is required from the following list of courses: Art, Art History, Conservatory or Theater

7. Students need to take two course groups either CS 420 and CS 421 or CS 470 and 471, but only two courses are required.

8. Computer Science electives are satisfied by taking any CS 400 < 497 courses not shown as a required course above. Students may select courses from either the Software Engineering concentration (CS 456, CS 457, CS 458 or CS 461) Computer Networking concentration (CS 411, CS 420, CS 421, or CS 423) or Bioinformatics (BIOL 108/108L, 109/109L, 202, 206, Chem 211/211L, CHEM 212/212L, CS 490MB, CS 490B, CS 470, or CS 471 and one junior/senior level course that is advisor approved in biology, chemistry, physics, life science, or other similar discipline.)

**Non-course requirements**

The School reserves the right to make changes in courses, degree requirements, and course schedules without notice.

Students are expected to maintain a quality of achievement significantly above minimum UMKC standards for degree work. Individual student progress will be monitored throughout the program. Satisfactory progress is required of all students for retention in the program. Students are expected to maintain academic standards, perform satisfactorily in courses, refrain from academic dishonesty, comply with the established University and teacher education timetables and requirements, and refrain from unethical or unprofessional behavior or behaviors that obstruct the training process or threaten the welfare of the student or others. The faculty on an individual basis will address other circumstances involving student behavior.

**Graduation Requirements Summary:**

<table>
<thead>
<tr>
<th>Total Hours [120 minimum]</th>
<th>Totals Hrs at UMKC [30 hours minimum]</th>
<th>Major GPA [2.0 Minimum]</th>
<th>UMKC GPA</th>
</tr>
</thead>
</table>

All students completing an undergraduate education degree must meet the following conditions in order to graduate and be recommended for graduation or certification:

- [list of requirements as stated in the catalog pertaining to minimum GPA, capstone coursework, additional licensure exams, etc.]
