

## Major Map: Architectural Studies

Transfer Students

Catalog Year: 2013-2014

The following is a sample course of study. It is the Student's responsibility to ensure that all program requirements are met. This guide is not a substitute for academic advisement.

*Your path to graduation may vary slightly based on factors such as college credit you earned while in high school, transfer work from other institutions of higher learning and placement in Mathematics. You are responsible for checking prerequisites to any courses.*

Course Subject and Title	Hrs.	Upper Division	Transfer Course	Minimum Grade if Required	Date Completed	Final Grade	Pre-requisites met	Additional Critical Tracking Notes
<b>Fall Semester Year 1: 14 hours</b>								
ENG 110, Introduction to Academic Prose	3	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
MATH 110, College Algebra	3	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
ENV-DSN 201, Env. Design Studio I	4	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
ENV-DSN 203, Survey of Designed Profess.	1	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
ENV-DSN 250, History of Designed Env. I	3	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
<b>Spring Semester Year 1: 17 hours</b>								
COMS 110, Fund. Of Effective Spkg.	3	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
PHYS 210, General Physics I	4	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
ENV-DSN 202, Env. Design Studio II	4	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
ENV-DSN 251, History of Designed Env. II	3	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
Elective hours	3	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
<b>Summer Semester Year 1</b>								
May use summer semester to lighten fall and spring course loads.								
<b>Fall Semester Year 2: 17 hours</b>								
ENV-DSN 248, Fundamentals of Arch. Tech.	3	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
ENV-DSN 252, History of Designed Env. III	3	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
ENV-DSN 301, Arch. Design Studio I	5	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
ENG 225, Intermediate Academic Prose	3	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
Elective hours	3	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
<b>Spring Semester Year 2: 18 hours</b>								
ENV-DSN 302, Arch. Design Studio II	5	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
ENV-DSN 347, Structural Systems I	4	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
ENV-DSN 413, Env. Systems I	4	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	
Elective hours	3	<input type="checkbox"/>	<input type="checkbox"/>				<input type="checkbox"/>	

The School reserves the right to make changes in courses, degree requirements and course schedules without notice.

Students are expected to maintain a quality of achievement significantly above minimum UMKC standards for degree work. Individual student progress will be monitored throughout the program. Satisfactory progress is required of all students for retention in the program. Students are expected to maintain academic standards, perform satisfactorily in courses, refrain from academic dishonesty, comply with the established University and teacher education timetables and requirements, and refrain from unethical or unprofessional behavior or behaviors that obstruct the training process or threaten the welfare of the student or others. Other circumstances involving student behavior will be addressed by the faculty on an individual basis.

## Major Map: Architectural Studies

Transfer Students

Catalog Year: 2013-2014

### **Curriculum Information specific to those pursuing a Master of Architecture at KSU:**

Students interested in pursuing this degree will complete the two-year curriculum sequence noted above. Having satisfactorily completed these courses and been accepted into the KSU M.Arch program, the student will then transfer to Kansas State University in their third year, to join the Master of Architecture sequence.

\*During the course of the Architectural Studies program, there are a minimum of nine (9) hours of general education electives required for UMKC students. During your entire academic career (at UMKC and KSU) pursuing a M.Arch degree, a minimum of twenty-eight (28) general elective credits are required, and must be taken outside of KSU's College of Architecture, Planning and Design. General electives may be taken in pursuit of a minor. Students may not take more than three (3) total hours of recreation credits toward graduation.

The Master of Architecture degree requires a minimum of twenty-four (24) hours of professional support electives (PSE): twelve (12) for undergraduate credit and twelve (12) for graduate credit. Of the undergraduate credits, at least three (3) hours must be planning elective credits, the other nine (9) are usually fulfilled in the 8th semester as part of the 4th-year study options. At least six (6) hours of the graduate level PSE must be architecture seminars. If you are attempting to take a professional support class at UMKC, students must consult closely with an advisor to be certain that the classes selected will count as professional support course work when they transfer to Kansas State University. Documentation is placed into the student's academic folder that clarifies how the course will be classified.

A required course, "Environmental Design and Society" (ARCH 325), normally taken in the fourth semester of study, is not offered at UMKC. It is acceptable to take this course at a later date, when you have transferred to KSU. More information about the Architecture curriculum at KSU can be found at <http://capd.ksu.edu/media/pdfs/curriculum-guides-nonbacc/architecture-curriculum.pdf>.

### **Curriculum Information specific to those pursuing a Master of Interior Architecture and Product Design at KSU:**

Students interested in pursuing this degree will complete the two-year curriculum sequence noted above. Having satisfactorily completed these courses and been accepted into the KSU IAPD program, the student will then transfer to Kansas State University in their third year, to join the Master of Interior Architecture and Product Design sequence. The Architectural Design Studios taken at UMKC will transfer as substitutes for the program's typical Interior Architecture and Product Design Studios. Other required courses not offered at UMKC may be taken out of sequence at KSU. More information about the IAPD curriculum can be found at <http://capd.ksu.edu/iapd/profile/>.

### **Curriculum Information specific to those pursuing a Master of Landscape Architecture at KSU:**

Students interested in pursuing this degree will complete only the first-year curriculum listed above. Having satisfactorily completed these courses and been accepted into the KSU LA program, the student will then transfer directly to Kansas State University in their second year, to begin the Master of Landscape Architecture sequence. More information about the LA curriculum can be found at <http://capd.ksu.edu/media/pdfs/curriculum-guides-nonbacc/landscape-architecture-curriculum.pdf>.
