Emphasis  
Transfer Students  
Catalog Year: 2013-2014**

**The Breadth Requirement may be met by completing one of the following:**

1. A second Foreign Language Emphasis;
2. A minor in another foreign language offered by the Department;
3. Six (6) credit hours of coursework at the 200-level or higher among foreign language courses outside the Emphasis (including courses taught in English). These classes must focus on language, literary or cultural studies. Appropriate courses offered by other departments (e.g. History of Latin America) can fulfill the breadth requirement with the prior approval of the UG advisor.

**Other requirements and regulations:**

- A capstone course is required for the completion of the BA in Foreign Languages.
- Higher-level courses may be substituted for lower-level coursework, eg. a 300-level class can be taken instead of a 200-level class. A minimum of two 400-level courses is required for each Emphasis in addition to the Capstone, 499.
- A 2.0 grade-point-average in Foreign Languages courses is required for graduation.
- Study-abroad is strongly recommended for all majors and minors in Foreign Languages, but not required for degree completion.
- French 435 does not count toward the major in Foreign Languages.
- Native speakers studying their own languages will complete a minimum of 21 credit hours in courses numbered 300 and above, but normally not including 315 or 325, and they will complete the breadth requirement. A native speaker is defined as a person who speaks the target language fluently and who has completed formal schooling through the secondary school level, or equivalent, in the target language.
- Certain anchor, platform, and cluster courses may be counted toward the language major, to be determined through consultation with the course instructor and the foreign language chair.
