Catalog Year: 2013-2014

#### Four-Year Graduation Plan - Courses and Critical Benchmarks

The following is a sample course of study. It is the Student's responsibility to ensure that all program requirements are met. This guide is not a substitute for academic advisement. **All incoming freshmen must develop an academic plan (which maps out all courses needed to graduate within your intended major/degree). Your academic advisor is available to meet with you and create your specific plan.**

Your path to graduation may vary slightly based on factors such as college credit you earned while in high school, transfer work from other institutions of higher learning and placement in Mathematics. You are responsible of checking prerequisites to any courses. Critical Courses (and Min. Grades as noted below) provide feedback regarding major fit and help indicate the likelihood of successful completion of chosen academic program and degree.

**Mathematics: Math 110 or MATH 116, or 200-level MATH/STAT**      **Foreign Language Requirement: Yes**      **Free Elective Hours: 16-31**

The School reserves the right to make changes in courses, degree requirements and course schedules without notice.

Students are expected to maintain a quality of achievement significantly above minimum UMKC standards for degree work. Individual student progress will be monitored throughout the program. Satisfactory progress is required of all students for retention in the program. Students are expected to maintain academic standards, perform satisfactorily in courses, refrain from academic dishonesty, comply with the established University and teacher education timetables and requirements, and refrain from unethical or unprofessional behavior or behaviors that obstruct the training process or threaten the welfare of the student or others. Other circumstances involving student behavior will be addressed by the faculty on an individual basis.

## Program Description

The Department of Foreign Languages and Literatures offers a major program of study leading to a bachelor of arts degree in Foreign Languages and Literatures, with an emphasis in either Spanish, French or German. 36 hours, at or above the 200 level, are required for completion of the Spanish major. These 36 hours include 30 hours of emphasis in Spanish, and 6 hours of Breadth requirement.

- 30 hours of Emphasis in Spanish:
  - Two Spanish 200-level courses or higher      06 cr. and
  - Spanish 315, 325, and 415                              09 cr. and
  - Two 300-level Spanish courses or higher      06 cr. and
  - Two 400-level Spanish courses                      06 cr. and
  - Spanish 499 (Capstone)                              03 cr.
- 6 hours of Breadth Requirement, which may be met with:
  - A second Foreign Language Emphasis;
  - A minor in another foreign language offered by the Department;
  - Six (6) credit hours of coursework at the 200-level or higher among foreign language courses outside the Emphasis (including courses taught in English). These classes must focus on language, literary or cultural studies. Appropriate courses offered by other departments (e.g. History of Latin America) can fulfill the breadth requirement with the prior approval of the UG advisor.

Undergraduate minors are offered in French, German, German Studies and Spanish. 18 hours of Spanish are required for completion of the minor.

Graduate programs of study leading to a master of arts degree in Romance Languages are offered with an emphasis in either Spanish or French.

## Admission Requirements

While there is no additional admission requirement for a degree in Foreign Languages and Literatures, a language placement exam is strongly recommended for all students with previous foreign language experience in French, German or Spanish. The placement exam or the recommendation of a foreign language adviser will best determine a student's level, contributing to his or her success. Contact the department office for more information. Placement test website: <http://cas.umkc.edu/ForeignLanguages/PlacementExam.asp>

Consultation with an adviser is recommended for students who intend to major or minor in foreign languages.

## Career Opportunities

Aside from pursuing teaching careers, holders of degrees in foreign languages are in demand by government, the media and international business in growing numbers, as the need for increased sophistication and expertise in international affairs continues to expand. Multinational companies and organizations now view foreign language skills as an asset in a prospective employee. In the past 10 years this notion has become widespread in such areas as business, industry, commerce, civil service, education, law, communications media and health services. The changing conditions of international economics, politics and communications indicate that this trend will continue.
