

Four-Year Graduation Plan - Courses and Critical Benchmarks

The following is a sample course of study. It is the Student's responsibility to ensure that all program requirements are met. This guide is not a substitute for academic advisement. For more information you may go to our website at www.sce.umkc.edu or the catalog at www.umkc.edu/catalog.

Your path to graduation may vary slightly based on factors such as college credit you earned while in high school, transfer work from other institutions of higher learning and placement in Mathematics. You are responsible for checking prerequisites to any courses. Critical Courses and minimum recommended grades (as noted below) provide feedback regarding major fit and help indicate likelihood of successful completion of chosen academic program and degree.

First Math	<i>MATH 210: Calculus I</i>	Foreign Language Requirement	No	Free Elective Hours	No Free Electives
------------	-----------------------------	------------------------------	----	---------------------	-------------------

Please note:

Complete ENGLISH 110 (English Comp I) or COMM-ST 110 (Speech) or equivalents; SAT verbal 690; ACT English 30 or AP English Language/composite score of 4.2 will waive the **DISC 100 requirement**. Without one of these, students will add three credit hours of DISC 100 to their curriculum.

Fall Semester Year 1: 18 hours

	CHEM 211: General Chemistry I AND CHEM 211L: General Chemistry I Lab	C	3	² Enrollment restricted. Students must pass the online ALEKS Math Placement Exam or provide transcripts showing prerequisites satisfied prior to enrolling Web site for more information: http://dev.umkc.edu/mathplacement/default.cfm
	E&C-ENGR 130: Engineering Graphics	C	3	
◆	MATH 210: Calculus I ² (Complete MATH 120: Precalculus only if not placed in MATH 210)	C	4	
	**DISC 100: Reasoning and Values¹ (Speech and Writing)	C-	3	
	**Anchor I: Reasoning and Values¹ - ANCH 150 preferred	C	3	
◆	Complete 15 term credit hours Earn minimum 2.000 term UM GPA			

Spring Semester Year 1: 15 hours

◆	MATH 210: Calculus I ² or MATH 220: Calculus II	C	4	PHYSICS 240 required for degree
	Focus B: Scientific Reasoning and Quantitative Analysis¹ PHYSICS 240: Physics for Science & Engineering I	C	5	
	**DISC 200: Culture and Diversity¹ (Speech and Writing)	C	3	
	**Anchor II: Culture and Diversity¹ - ANCH 203 preferred	C	3	
◆	Complete 15 term credit hours Earn minimum 2.000 term GPA Earn minimum 2.000 cumulative UM GPA.

¹ All students must take and/or establish credit for the following General Education Course Requirements: DISC 100, DISC 200, DISC 300, Anchor 1, Anchor 2, Anchor 3, Focus A, Focus B, Focus C and Focus Elective for a total of 30 credit hours of General Education. See General Education Requirements list for appropriate courses. Go to www.umkc.edu/core/courses

² Students need to take either E&C-ENGR 358 or E&C-ENGR 474, but can take both.

³ Three of the four senior electives must be from E&C-ENGR courses. If the fourth course is not an E&C-ENGR course, it must be approved by faculty advisor first. Other courses, such as special topics courses, can also be used for Senior Electives.

Policy

The School reserves the right to make changes in courses, degree requirements, and course schedules without notice. Students are expected to maintain a quality of achievement significantly above minimum UMKC standards for degree work. Individual student progress will be monitored throughout the program. Satisfactory progress is required of all students for retention in the program. Students are expected to maintain academic standards, perform satisfactorily in courses, refrain from academic dishonesty, comply with the established University requirements, and refrain from unethical or unprofessional behavior or behaviors that obstruct the training process or threaten the welfare of the student or others. Other circumstances involving student behavior will be addressed by the faculty on an individual basis.
